GIFT AID DECLARATION – for every £1 you give we gain another 28p!

I wish the charity to treat all donations I have made in the last 6 years and all donations I make from the date of this declaration as Gift Aid donations, until I notify you otherwise.

Signature_____Date_____

NB. You need to be paying income tax or capital gains tax equal to the tax deducted from your donation. Since April 2008 the basic rate of income tax has been reduced from 22% to 20%, meaning we can now only claim 25p for every £1 through the government's Gift Aid scheme. However HMRC have agreed to pay transitional relief to make up the difference of 3p in every £1

Please note: This gift will not be acknowledged unless you request a receipt here ☐
