

Keswick Ministries invites you to its new series of Bible-centred Teaching & Training days in the beautiful setting of the Lake District.

Our courses and workshops go deep into the Word of God, yet are highly accessible. This series of training and teaching has been developed with a view to encouraging Christians in their daily walk and in their ministry. Our courses aim to sharpen participants' Biblical knowledge as well as provide a time away from home, work and ministry to reflect on the Word of God and to find refreshment in His creation.

This year, we will be offering the following courses:

- Doctrine Study Day: The Christian and the Law of God (in partnership with London Seminary)
- Psalms Day
- Bible workshop: Psalms
- Bible Workshops in Hebrew: Jonah / Psalms / Ruth
- Keswick Ministries & Emu "Word In Song Conference" Music/worship workshop (in partnership with EMU Music)
- Psalms Week
- Preaching Communications Workshop

For more information on each course:

James Robson, Ministry Director

*In future some training might also be available in other parts of the UK

We recently held our first teaching and training sessions. Read what our participants say about our courses:

"I've been enthused with a new lease of life for my preaching, a real excitement about both preparing and delivering sermons and a real expectation in the confidence I have now that God can speak so powerfully through His Word to bless countless people."

Paul Kerry, Priest-in-Charge, St. Bridget's Moresby

"A massively valuable time in the Word under the care of an outstandingly gifted and humble teacher. My Hebrew is sharpened, but more importantly my love for Jesus is deepened."

Nathan Weston, Assistant Pastor, Moorlands, Lancaster
