The Keswick 19-24's team is
DEDICATED
to encouraging you to
STAND FIRM IN YOUR FAITH
and to bring
= GLORY TO GOD =
in ALL that you do.

While you're making some of the decisions that will shape you for the future, we want to be there with you, cheering you on to live a life worthy of the calling you've received.

Explore the Word of God in our dedicated 19-24s space in the Crosthwaite Parish Rooms and enjoy making new friends right here in the beautiful Lake District. Come and get excited about the Gospel and the call to whole-life discipleship – it really could be a week to remember!

Mornings begin with a dedicated seminar slot just for you, exploring our big theme of Longing, with a big focus on applying it to ourselves, as we discuss in small groups over refreshments from our own café. We'll then join in with the main Convention programme for the Bible Readings.

Each afternoon there will be different social activities to join in with, for an opportunity to explore the town a bit more, and get to know one another better – whether you've come to the Convention alone, or with a larger group, you would be so welcome to join us each day.

In the evenings we'll join in again with the main Convention programme at the Evening Celebration, for a chance to sing, pray and hear from God's Word together, before we return to the Crosthwaite Parish Rooms for our relaxed Late Night session featuring in-depth interviews, question panels and much more... See programme pages for all timings – we look forward to seeing you!

Week 1

Ellie Cook works for UCCF: The Christian Unions in Durham, helping Christian students as they seek to share Christ with their friends and classmates. Working with UCCF over the last 9 years (and previously with IFES in South Africa) has meant many opportunities to support, train and encourage CU students, as well as to engage with and persuade students who aren't yet convinced of the truth and beauty of the gospel. Ellie lives in Newcastle where she's a member of Christ Church Newcastle, and she spends all of her spare time knitting and hanging out with friends.

Week 2

Paul Webber is Minister for Mission at Above Bar Church, Southampton. His role is to encourage the church to reach and transform our city, as well as taking the gospel to the ends of the earth. Paul met his wife, Rebekka, on the Operation Mobilisation ship, Logos 2. They have two boys as well as being foster carers. They have fostered twelve children so far – not all at the same time though! Paul loves playing and watching sport. He really enjoyed the Six Nations this year!

Week 3

Stephen Watson has been a Christian since he was 18. Originally from Glasgow, he now lives in Cheshire. Stephen works for a fuel card company and has recently gained an MBA from Manchester Business School. In his spare time, he enjoys playing football and the piano.
