

SUNDAY SERVICES

Join us in the Main Tent for an All Age Service led by the Children & Youth Teams, or you may prefer to join in with one of the many local church services in and around Keswick.

Some of these churches will have guest speakers from the Keswick team and the local congregations are pleased to welcome visitors from the Convention to their services.

This is a great way of continuing the link the Convention has always had with the local churches, as well as bringing real encouragement to those who live and worship here all year round.
