

Appendix 2 – Records Retention Policy

Storage of Data and Records Statement

1. All data and records will be stored in accordance with the security requirements of the Data Protection Legislation and in the most convenient and appropriate location having regard to the period of retention required and the frequency with which access will be made to the record.
2. Data and records which are active should be stored in the most appropriate place for their purpose commensurate with security requirements.
3. Data and records which are no longer active, due to their age or subject, should be stored in the most appropriate place for their purpose or destroyed.
4. The degree of security required for file storage will reflect the sensitivity and confidential nature of any material recorded.
5. Any data file or record which contains personal data of any form can be considered as confidential in nature.
6. Data and records should not be kept for longer than is necessary. This principle finds statutory form in the Data Protection Legislation, which requires that personal data processed for any purpose "shall not be kept for longer than is necessary for that purpose". All staff, trustees, contractors & volunteers of Keswick Ministries are required to have regard to the Guidelines for Retention of Personal Data attached hereto.
7. Any data that is to be disposed of must be safely disposed of for example by shredding. Any group which does not have access to a shredder should pass material to *Roz Lake* who will undertake secure shredding.
8. Special care must be given to disposing of data stored in electronic media. Guidance will be given by *Roz Lake* to any group which has stored personal data relating to its members on for example personal computers which are to be disposed of.
