# Preparing Christians to deepen their walk with God and serve others

Whether you are firmly in later life, have retired recently, or are reflecting on what life looks like now your children have left home, this stream of seminars aims to provide teaching and insight into a variety of aspects of later life. You may be someone who wants some practical ideas about how to engage older people in your local community, or how to care for an elderly family member or friend, or someone with dementia. Or you may be reflecting on how to best prepare for later life and wonder what the Bible has to say about older age.

## **Who's it for?**

For those in second half of life (empty-nesters/soon to retire/retired).

## **What you'll get out of it?**

Inspiration and practical ideas on ministry in later life.

## **Who's it with? In partnership with Faith in Later Life**

Rev. Roger Hitchings, Carl Knightly, Pippa Cramer, Dave Fenton, Rev Dr James Robson, Louise Morse, Jeremy Marshall.

We are also running a church leaders' stream for those involved in leading ministry with older people so they are resourced to inspire, equip and empower those in the second half of life, to live for Christ.
