of the Lake District*

Keswick Ministries

# Preaching the God-man, defending and delighting in the incarnation

The doctrine study day will blend exegetical, historical and systematic theology.

It is being held in partnership with the Pastor's Academy at London Seminary.

It is taught by Dr Garry Williams with input on biblical material from Dr Neil Martin. Neil brings some of the best of recent biblical scholarship that demonstrates an incarnational Christology, and Garry draws insights from the high points of patristic reflection and analytic theology.

## **Who's it for?**

It is intended for pastors with a good level of theological understanding, but it is open to any men or women interested in learning theology for ministry.

## **What you'll get out of it?**

It will help you to understand more of the coherence and implications of biblical doctrine.

## **Who's it with?**

Dr Garry Williams and Dr Neil Martin.
