Refreshment for life and ministry!

The annual Pastoral Refreshment Conference, held in partnership with Living Leadership, is an essential oasis where church leaders and their spouses can receive from the Lord for the refreshment of life and ministry. It features a deep emphasis on experiencing God's grace.

"We appreciate the Bible teaching which is always fantastic but also the context around it of a place of grace and refreshment. There is an ethos of people being free to be themselves in the place they're at to receive the teaching."

Anna Price
