KESWICK CONVENTION 2023

Prayer at the Convention

Psalm 100

Shout for joy to the Lord all the earth
Worship the LORD with gladness;
come before him with joyful songs.
Know that the LORD is God.
It is he who made us, and we are his;
we are his people, the sheep of his pasture.

PSALM 100

Enter his gates with thanksgiving
and his courts with praise;
give thanks to him and praise his name.
For the LORD is good and his love endures forever;
his faithfulness continues through all
generations.

The Lord is God!

The Lord is good!

Sudan

- Civil war disrupts country
- El-Geneina, in West Darfur- militiamen destroying hospitals, schools, electricity and telecoms—which the people of, might need to survive.
- Armed militia ambush the bishop of Morobo
- Archbishop with bishops have had to evacuate to Port Sudan, and the Cathedral has been looted. The Bible translation department there lost all their computers, Jesus film equipment etc. There is a lot of suffering within the general population.

Sudan

“The whole region is heading into catastrophe. The aim of Islamic State and affiliated groups is to destabilise the entire region, establish an Islamic caliphate – ultimately across the entire continent – and, long-term, they are confident this is within their reach. They are helped by other Islamists focusing on non-violent, systemic Islamization. “It isn’t just governments in Africa that aren’t facing up to the true nature of this religiously motivated purge, it’s governments across the world. The price of this denial is incalculable, not just to Africa, but to the whole world.” [World Watch]

Sudan

- Pray that the military and the RSF will concede to peaceful talks rather than fighting.
- Please pray that the outcome of any conflict will lead to greater freedom and not a return to authoritarian rule.
- Pray that the followers of Jesus in Sudan will continue to be a voice of peace and hope.
- Please pray that believers will not lose heart and will really experience the presence of God.
- Open Doors are supporting churches through discipleship training, economic empowerment and helping them to prepare for persecution. Pray for safety and energy for our local church partners as they seek to bring hope and support to Christians at this time.
