- For the effects of war - grain for Africa, trauma in conflict zones, stability of both Ukraine and Russia, separated families, grieving for loss of friends and family.
- The long term effects of this conflict. Lord have mercy.

# The world and it's leaders

- Local: strengthening communities, wise use of funds, a Christian influence in our schools.
- Church: godly pastors, faith and vision in leadership. Biblical faithfulness in denominations, a world vision.
  - National: Industrial dispute resolution, high value on integrity in leadership positions, seeking the Lord's help in decisions.
- International: Places of conflict: Europe, Africa , migration issues, human trafficking, persecuted believers.
