Praying for the world

India

- Since April 2023 the world's most populous nation
- Give thanks for the church in India – e.g. for Delhi Bible Fellowship and for North India Bible Training, equipping pastors to teach the Bible in towns and villages across north India
- For protection in the face of increasing pressure on religious minorities because of the fiercely pro-Hindu ruling party BJP led by PM Narendra Modi. Anti-conversion laws have been passed in some states
- Pray for Christians in Manipur state, where 80+ believers have been killed in recent months by Hindu extremists. Many more have been left homeless.

Praying for
one another

- For the Word of God to be at work growing us as disciples of the Lord Jesus in our different stages of life
- Cheerfulness and generosity around town and among the locals
- Looking out for and befriending one another
- For the Keswick stewards, loving us practically and keeping us safe
- For any needs or concerns you wish to share
