6 Months Until Keswick Convention 2024!

"It was our first time at Keswick and we were absolutely blown away in every way. Every single facet was SUCH a pleasure. The teaching was brilliant, we loved the worship, and our children loved the youth work and the late-night sessions. We could go on forever waxing lyrical about what a perfect week we had!"

- Guy Plowman, 2023 Keswick Convention

Leading WELL

7th-9th March 2024

All churches depend on their elders or lay leaders. For different reasons, training in a local church context can be limited; there are real benefits in drawing on the experience of others outside that context.

Leading WELL (Workshop for Elders and Lay Leaders) is a course to equip, encourage and nourish elders and those in lay leadership in churches who want to grow and develop in their calling as leaders, shepherds and servants of the local church.
