

Mission Exhibition Criteria

Keswick Convention 2025

150 YEARS OF

**Keswick
Ministries**

This document includes the criteria we use for acceptance of each agency. Please read through this information before applying.

The agency must align itself with the **purpose, priorities, beliefs, and values** of [Keswick Ministries](#).

The agency should have a clear **focus on Christian mission**.

The agency should be a registered **Christian charity**.

The agency should be **connected with the wider evangelical community** through membership of [Global Connections](#), [Evangelical Alliance](#) or [Affinity](#). This is because we wish to ensure that all mission agencies involved are in good fellowship with other evangelicals and are committed to the unity of God's people in the cause of mission.

The agency should be able to articulate how it would serve the **Convention theme**, which for 2025 is *Transformed*.

For those who are applying to be part of the exhibition for the first time, we may request additional information to enable us to decide which applications we are able to accept.

Keswick Ministries aims to maintain a balance of mission agencies which reflect the broad range of mission and ministry and offer conventioners the opportunity to engage with a wide variety of agencies. As well as the conditions outlined above, Keswick Ministries will take the balance of the whole mission exhibition into consideration and, therefore, an application will not automatically guarantee a space.

The Trustees of Keswick retain the discretionary right to make occasional exceptions but seek the kind understanding of those agencies which might not be able to fulfil these criteria.
