

## Tech & Production Team

### Role Description | Keswick Convention 2026

The Technical Team plays a vital role in delivering the Keswick Convention each year.

- Ensuring Bible Readings, Seminars and other events are available to a global audience.
- Contribute to the professional and digital availability of resources.
- Operate A/V equipment for all meetings.
- Liaise with hosts and speakers regarding A/V requests.

You will be part of a large team covering multiple venues across the site, town relay venues.

#### Skills and Qualities Needed:

- Have lots of enthusiasm for teamwork.
- Some knowledge of sound/video/engineering or ability to learn (e-interview required).
- Energy and flexibility.
- Attention to detail and ability to follow instructions.
- Have a good level of spoken English.
- General technical knowledge to assist other technicians in problem solving would be a bonus
- Physical fitness to load/unload equipment and move between venues.

#### Schedule and Location

- **Location:** Covering various buildings on site and in Keswick
- **Arrival:** Saturday 1pm
- **Departure:** The following Saturday morning
- **Hours:** Around 8 hours per day (split over shifts - some days may be slightly longer due to programme needs)

#### Specific Tasks Include:

- Under supervision, work as part of the Technical Team to install audio/visual (A/V) equipment for seminar and other small venues throughout the week.
- Operate audio/visual equipment for meetings, seminars, K & Y venues, and overflow areas.
- Source the technical requirements in seminar/workshop venues as requested.

- Liaise with seminar and workshop hosts and speakers regarding A/V requests.
- Support other teams as needs arise.
- Assist with whatever is needed behind the scenes.
